

48h Quick Ship.

Available to ship within 48 hours or receive a free bucket of cleaner and care tabs for iCombi orders or cleaning scrub kit for iVario orders.

Cooking systems shipping to within the continental the U.S.A. and Canada will leave a RATIONAL Distribution Center within 48 hours of order confirmation.

Terms & Conditions:

- › Only available for standard configurations.
- › 48-hour shipping is on regular working days as determined by RATIONAL.
- › Orders must be accepted by RATIONAL USA or RATIONAL Canada by 1 pm CT to be eligible for this offer.
- › Orders that include a non-48h Guaranteed stock item are not eligible for this program.
- › This program is only for shipments using a RATIONAL preferred LTL carrier.
- › Unfortunately, not all obstacles can be prevented. The following are examples of situations that may affect guaranteed shipping:
 - › Information necessary to process and fulfill the order was not provided.
 - › Credit issues or holds.
 - › Natural disasters / inclement weather conditions that prevent shipping capabilities.
- › Quantities ordered may impact Quick Ship availability.
- › This offer may be available for a limited time.
